Stanhope is a linear settlement a little over a mile in length in an East-West direction on the A689.

We are at the western end of Stanhope, 3/4 mile up an unnamed "no through road".

If you are on the A689, DO NOT turn onto the B6278.

Our postcode "DL13 2EZ" will bring you to the doorstep.

However, whilst rare, a few Sat Nav's think we are located on the B6278. We are not. If you are in Stanhope on the A689 and the Sat Nav directs you onto the B6278 IGNORE IT.

When you arrive at the entrance to Belle Vue Farm, please use the route detailed on page 2 & 3.

A689 from Eastgate

200 metres passed the 40 mph sign, turn left up the unnamed "no through road".

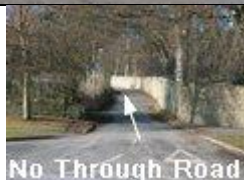

Continue up the "no through road" for 3/4 mile, and turn into the first driveway on the left.

A689 from Frosterley

200 metres passed the Grey Bull pub, turn right up the unnamed "no through road".

Continue up the "no through road" for 3/4 mile, and turn into the first driveway on the left.
